From The Chair

Well another month has gone by and the Congress is over. Wow what a great event this was. Even through earth quakes and the worst storm I have experienced we did it.. I am sure most of our visitors where impressed with what little old NZ can do. I had several people comment to me that our grounds are just lovely including the INF Presidents Sieglinde and members of the INF Board, and federation delegates. Well done to all our club members. You all helped in many ways. We would like to give back to members a little to thank you. A Congress party will be held Saturday 21st December at 5pm. Drinks and nibbles provided. I hope you can make it.

Well what have I been doing since the Congress. I have spent time at home instead of at the club catching up on projects that simply got put aside. Boy was the grass long. We have now got the day lockers ready to go. If you want one please contact me. For a small cost of \$50 per year to cover locks, key costs and sundries one could be yours.

We had a very successful meeting on Sunday 11th December with our very enthusiastic committee. Aren't they all doing well. It was a rather long meeting due to not having one for 2 months. Ross was impressed that we managed to do all the great improvements on normal club running costs. Didn't we do well?

I will be our delegate at the NZNF meeting in Auckland on December 28th. There are 2 nominations for President, Donna Miller and Wendy Lowe and 2 nominations for South Island Vice president Chris Nee and Jeremy Kelleher. This the first time I can remember there being more than one nomination. This is very healthy. Your committee had a secrete vote to decide who we were going to vote for. I now have to stick to that decision.

Cabin management has always been a bit of a problem. Keeping the cabins ready to go should visitors turn up means having someone there to welcome visitor, change linen and clean. It has been suggested that we pay a cleaner which I have been against as this simply means that we would get very little out of it. It is also a security issue. Well I am pleased to say that Dave C has taken over from me as cabin boy and is going to help do this job. Helen will be on board from 15th December to mid January then Constance will do a stint from mid January for a time. I must thank all those who have helped with cabins and continue to do so. You help has not gone unnoticed. June CT, Constance and myself continue to deal with online bookings.

Well that is it from me. I hope you all have a great festive season and hope to catch up with as many of you as possible in the new year. As always if you have something on your mind come and talk to me. I promise I don't bite.

We hope you have a long and enjoyable association with the club.

Caravan Electrical Warrant of Fitness

It's a club requirement that Electrical Warrant of Fitness are visible from outside your caravan, so can everyone please make sure theirs is on display. Richard is currently compiling a list of when people's warrants expire.

You need to make sure your warrant is current to plug into the club power.

If yours is due to expire please contact Barry Williams & he will arrange for the Electrician to come up & inspect your caravan. Home No 9383656.

Thanks

OPEN DAY – December

5 people visited. Two have expressed an interest.

NEXT OPEN DAY

Sunday 15 January 2- 4 pm

PR MARKETING

Thanks to Michael G for offering to work with Neil to refresh and upgrade the club website.
Thanks to Neil too for his continued work on keeping the website updated.

POSTERS

Posters are being taken to libraries and workplaces in an endeavour to introduce people to Naturism and our club.

Volunteers Required

Afternoon Tea Roster

The afternoon tea roster for summer is now on the wall by the kitchen. Please select a Sunday afternoon you can organise the afternoon tea. It is not difficult. You just need to bring something to eat & some milk. If you're not a baker a couple of packets of biscuits is fine. Then have it ready to ring the bell at 3pm. If you are unsure please contact Shirley or one of the regulars who will be happy to advise you.

Lawnmowing

If you would like to help mowing the lawns (apparently it takes 1 person 6 hours to mow the lawns) training is required on using the ride on mower. Please contact Graham Q for more information.

2017/18 NZNF Rally

Volunteers are required for the 2017/18 NZNF Rally which will be held at the club. Areas include Registration, Catering, Sports, Entertainment & Hygiene. A meeting will be held for those interest at 4pm on Sunday 22nd January.

Health & Safety

Everyone need to know that the club defibrillator is in the hall by the telephone. There are several club members who attended the training course run by Janine, but once activated the machine gives verbal commands on what is required. There are first aid kits in the hall by the downstairs lounge & in the camp kitchen. We are currently obtaining first aid kits for the ablution blocks in Far Away Land & Midlands. If you use anything out of the first aid kits, please record the details in the notebook. This will enable us to easily ensure they remain fully stocked.

Water Use

For those unaware the club has to pay for all water we use. Please be careful with water use on the grounds & please ensure all taps are fully turned off after use. Also please turn off lights when you are leaving & ensure all doors that should be locked are.

Lyall Bay Surf Life Saving Club Skinny Dipping Record Attempt

Hi, my name is Ian McIntosh and I am the head of fund raising at Lyall Bay Surf Life Saving Club, the oldest surf life saving club in New Zealand. We are currently in the throws of replacing our old clubhouse and rescue facilities with a new \$3.8 mil purpose built facility. The old building has been demolished and the new build is underway, as part of my efforts to make up a current short fall of \$600k I am organising various events to raise additional capital.

I was wondering if you and your members, friends and associated or affiliated clubs would be interested in combining an attempt to break the current Guinness world record for the most people skinny dipping of 786 people with an attempt this summer at Breaker Bay Wellington of 800 people, all for a very worthy cause, whilst promoting your activities to a wider audience.

Lyall Bay Surf Life Saving Club would provide the event safety aspects, food and refreshments for the attempt and promote it through our fundraising website www.forthesea.org.nz We would be looking to hold the event in late February 2017 and charging \$20 per person to take part in the attempt.

I would be pleased to receive your thoughts by return and happy to further discuss at your convenience.

Regards

Ian McIntosh
