## From The Chair

Gee has another month gone by already? Actually it has been 5 weeks as due to me being away we delayed our meeting a week. It suited as Shirley's much awaited mid winter dinner is also a week late so all is good.

We are very pleased to host the NZNF for the mid year meeting. By the time you get this news letter it will all be over. Jude and I will have done the catering and hopefully others would have kept us company for the pot luck dinner and All Blacks test match with the Lions on the Saturday night. The NZNF do a lot for Naturism in New Zealand and overseas so our club gives them all the support they deserve.

So what's your new committee up to you may ask? All the executive are performing well in their roles and their enthusiasm is really contagious. I just love it. We are in the process of getting quotes to seal our driveways. I am getting sick of filling in pot holes. It is rather expensive so we will be engaging your thoughts at the planning meeting. The extension and upgrade to FAL ablution complex is about to begin so if you can help let us know. Our plumber is rather busy at the moment so we still do not have a new water meter and we will need him to fit new toilets and a gas water heating system. The upper underground power project is underway so there are a couple of piles of sand around so be aware of them. We hope there will be minimal disruption as it will be done in stages.

Great to see so many at the last working bee. A lot of trimming of trees was done so now there is a huge pile of branches to either be mulched or burnt. Personally I prefer mulching as it can go on the gardens. I hope we see the same numbers at the next working bee as there is still a lot to do.

The rally organisation is well underway with all nights now organised and it is proving to be very exciting as the entertainment will be great. We still need a little bit of help so let the organisers know if you are available. We still need caravans so if yours is not being used at the rally time please can we have it?

I am away overseas for most of August and the first week in September. Our daughter and her family live in London so are meeting up in Crete then meeting naturist friends in Spain then back to London and home. It has been a while since we have seen them so very exciting.

There will be a committee meeting in July but not in August so probably no presidents piece either unless I can find the time.

I hope to catch up with you all at Shirley's dinner so this will be your chance to talk to me if you so desire.

Keep warm.

Ken

### **NZNF Executive Mid-Winter Meeting & Club Planning Day**

Thanks to all those members who came along to the Club's planning day on Sunday, also those who joined with the NZNF Executive for the pot luck dinner & watching the rugby on Saturday night.

I think we got some good ideas from members on the direction the club should take going forward & we'll look to members to assist in implementing many of the ideas in the years ahead. Thanks to Jacqui for the work she put into facilitating the session.
