About 30 members and visitors celebrated New Years eve, firstly with a barbecue, then singing, dancing, and of course a midnight swim, the outdoor spa was also popular.

A big thank you to Ross D and Graeme A for providing the great music we sang and danced to.

And to Shirley D for the fabulous supper, it was a great night.

Great news, at the recent NZ Naturist Federation AGM our club was accepted to host the 2022/23 rally.

A full report on the AGM will be included in the February newsletter.

Nude Photo Shoot Saturday 16 January 2021 10am - 1pm

Inspired by the works of Binh Trinh, amateur photographer Blair Hinton is planning a mass nude photo shoot at Wellington Naturist Club on 16 January 2021 between 10am and 1pm.

Using the human body, Blair is looking to create shapes on the ground specific to NZ (ie, a kiwi, silver fern and/or a koru) which he will predominantly capture by using a drone.

Please direct any queries or register your interest in participating to:

* Blair Hinton M: 027 524 8058 E: wainui44@hotmail.com

The committee would like to advise members that this event is generating quite a bit of interest and at this stage the organiser is expecting 100+ participants.

Members are cordially invited to be a part of the photo shoot.

Please be aware that the photographer will be using a drone on the day to capture his images.

Your wonderful WNC Sites

As your Vice President, I congratulate all those who have done such a wonderful job of cleaning up their sites and helping to make the club so presentable for our guests, our visitors and indeed our members. It makes such a huge difference for our club.

As your Site Manager, I urge all those who have not yet completed their clean up job to get it done before the "summer proper" is upon us, and we all just want to come down and relax at our sites, in the pool, in the spa, at the barbeque, or whatever you love in our marvelous naturist wonderland!

Also worth a mention is that I have a number of members on a waiting list for sites, and if you don't make use of yours, then another member could enjoy it. So don't hesitate to contact me if this is you. Of course I understand there can be extenuating circumstances as to why you may not use it.

Well fellow members, enjoy your sites, enjoy your club and above all enjoy your naturism adventures.
