And just like that, it is December and the silly season is upon us.

No doubt many of you will have seen the rapid progress happening with the redevelopment of the kiddie pool into our newest asset, a hot tub. David and helpers are doing an amazing job and with any luck it will be operating soon, in time for everyone to enjoy over the forthcoming holiday period.

The grounds are looking fantastic and if you haven't checked out all the work that has taken place over at FAL and the new visitors campground, Streamside, then I suggest you take a wander over there to take a look. Thanks to all of the helpers who have been absolute Trojans in making this all happen. Thanks to Robyn I for the bright mural on the fence as well. And a special thanks to Shirley for her tireless work keeping the hall ablution block clean and tidy.

As you are all aware, the Auckland border has now re-opened and the club is expecting visitors to arrive from out of town to come and enjoy our facilities. Thankfully with the last of the underground power being connected up to FAL, Streamside will be ready in time to cater to them.

I would like to wish all our members safe travels around NZ and across the ditch when you spend time with your families over the festive period. May you have a safe, peaceful Merry Christmas and a happy New Year. The committee are looking forward to putting 2021 behind us and trust that 2022 will be a better year.

I would also like to take this opportunity to thank my fellow colleagues on the committee for their work, support and dedication as we have navigated these uncharted waters. It's been quite the ride and I couldn't have done it without you.

FYI, I have documented my personal views on how I believe the naturism community should be dealing with this pandemic. If you are interested in having a read of this then I am happy to send to you on request.

Key Points — 12 December Committee Meeting

Exciting opportunities

Due to two resignations, Secretary and an Executive Officer, the committee are now looking for replacements to take them through to the AGM next year.

If you are interested in joining this dynamic committee or would like further information please contact

A huge vote of thanks to Shirley for her tireless work looking after the hall ablution block.

After Xmas Shirley will be retiring from cleaning the hall ablutions and a roster will need to be put in place until such time that a commercial cleaner is found.

CALL FOR EXPRESSION OF INTEREST

Cleaner

It is becoming increasingly clear that we need to employ a commercial cleaner to service some of the club's facilities, therefore, we would like to invite expressions of interest from the membership or friends of members before looking externally.

This is a paid contract all year round approximately 3 hours, twice a week say Monday and Friday therefore a total of 6 hours at \$20.00 per hour = \$120.00 all up.

The role would entail cleaning the Spa area, Hall ablution area, main lawn ablution block and kitchen.

This may also be with a view to taking on the cleaning involved with cabin management.

Please contact Brent Henderson

SEEKING FEEDBACK

The committee welcomes any feedback from members who would like to express their views, whether they be for or against, the club's current COVID policy and it's adoption of the passport system.

Please email comments to both:

president@wellingtonnaturists.co.nz

secretary@wellingtonnaturists.co.nz

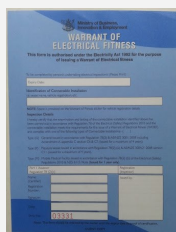

Electrical Warrants

Seven electrical warrants were completed recently, thanks to Ken who assisted the electrician, reducing the costs for those members.

There is a requirement by the club and law to have a current electrical warrant for your caravan or cabin.

The warrant needs to be displayed in a prominent position. Electrical warrants generally cover four years.

Please check that your warrant is current and visible.

Celebration and opening for completed projects

Celebration and official opening of FAL Ablution block, Streamside camping area, mural on fence, path from Streamside to FAL ablution block and upgrade of cabins 1 & 2.

Many members gathered for this event with Paul C officiating. These were major projects and I think it is worth while mentioning those involved.

The FAL ablution block is mainly due to the fantastic work done by Ray. He has worked on this project for a couple of years and it is now 90% complete. Thanks Ray and all those who have helped him. It is a credit to you.

Streamside camping area. This has been achieved mainly with Brent H help. There are many people who have helped Brent and I thank all of you. Allan our electrician has almost completed powering this site up.

Mural on Streamside fence. Robyn spent many hours painting this mural and I think you will agree it looks wonderful. Thanks Robyn and all the best in you new adventure.

Path from Streamside to FAL ablution block. During lock down Brent H spent many hours moving rocks and soil to make this path. I said it couldn't be done and he proved me wrong. Thanks to all who helped Brent and a special thanks to Robyn and Claire for the land shaping and planting.

Upgrades of cabins 1 & 2. This project was overseen by Brent H and we hired Perry to do the painting and an ex member Alan to do the plastering. Interior decorating was done by Jude and Brent. Both cabins have new kitchens, cold water taps and new beds. Cabin 1 has a new window, and new carpet. These are now well appointed facilities and a credit to our club.

Just as an addition we now have a new switch board which will see us well into the future.

Thanks again

Ken Mercer works manager.

Site Holders

The site manager will be soon to be conducting site inspections to ensure that all sites are in a tidy condition — please refer to clause 5 of your Site Agreement/Conditions of Site Occupancy (see below). A letter will be sent to those who do not comply. All sites are expected to meet the requirements by 31 March 2022.

SITE CONDITION

5. Sites and buildings (cabins/caravans/ sheds/decks) must be maintained in a tidy condition in the opinion of the Site Manager and to the satisfaction of the Management Committee. If any site is not maintained in such condition the occupier may be levied with a fee set by the Committee to cover the cost of maintenance.

Vaccinated members need to do **one** of the following (where not already done) in order to ensure you receive the new gate codes:

- 1) Email a copy of your vaccine pass to treasurer@wellingtonnaturists.co.nz
- 2) Phone the club mobile: 027 330 6212 stating you have a valid vaccine pass and your estimated arrival time so you can be let through the gate manually after which your pass can be scanned and you can be issued the new codes and gate phone number.

Deck laying for the hot tub

Sunday 19 December

Weather permitting David will be laying the deck from the edge of the pergola to the planter boxes.

Any help would be much appreciated.

Proposed bike shed

It has been suggested that the club build a bike shed but there is no budget available.

Let Greig know if you have any materials that can be donated for this purpose.

Receptacle for Lost Property

The committee would like to set up a lost property box. Does anyone have a suitable receptacle that could be used?

Please let a committee member know if you have something suitable.

Volunteer jobs around the club

Please contact Brent or check the job board (inside the hall) if you would like to volunteer to do any jobs at the club.

If you intend on using any tools and equipment for work on the grounds. Please contact Brent prior so that he can be aware to check on your safety and provide you with any safety gear.

If you have noticed any hazards or have any Health and Safety concerns please contact:

pip@wellingtonnaturists.co.nz

'The Health and Safety at Work Act 2015 (HSWA)' makes it clear that everyone has a role to play in ensuring health and safety at work'. This includes clubs.

Vacancies on roster for Sunday Afternoon tea

Afternoon tea is held, rain or shine, 3:00pm every Sunday from Labour Weekend through till Easter.

Team up with another member and add your name to the roster on the notice board in the hall.

Not a baker - cheese, crackers and biscuits can be found in the fridge and pantry, just need to bring some milk.

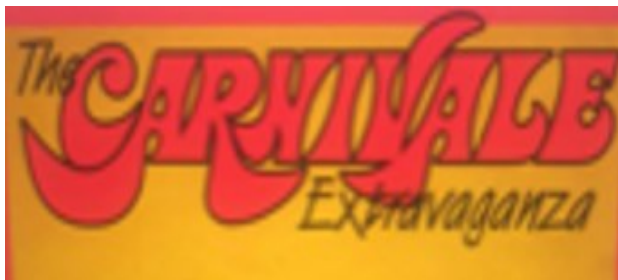

NZNF membership cards for 2021/22

The cards are being held in the club office.

Please ask a committee member for your card next time you are at the club.
