## President's Piece

Our second winter working bee managed to make good progress on two fences, the pool side extension and the height extension at the gate for privacy. Thank you to the muddy, drenched and still smiling team who braved it all. Jeff's famous seafood chowder set us up for the 'hearty winter dinner' that 30 braved the weather to attend. It was a relaxing and fun night with another superb meal by Jude and Ken.

I would be very grateful if you could ask yourself what you could do to help the committee to make us more successful for all members. We are all volunteers and there are some tasks (see below) where a bit of help would go a long way. Unfortunately if we don't get spa pool volunteers while Shirley is away 24 Aug to 1 Oct we may need to turn it off (I can hear the gasps already).

Highlands (HL) is having a few changes of members sites. Before any adjustment to sites is confirmed committee will be consulting with HL members. We're likely not to make changes until after the festival as space will be at a premium.

I'm looking forward to a very social August and a chance to connect with more of you.

Ngā mihi

Robyn

## Custodian Opportunity @ WNC

We would like to find a custodian for summer for any time between December and March (could be more than one custodian). We'd like to hear from anyone who can tell us what they can do and we'll work out the details based on their circumstances. Must be a naturist!

Duties will include meet and greet, cabin change-over and laundry, help with some cleaning and tidy up, checking doors, closing the pool, and maybe bookings and the phone.

We plan to advertise in other naturist clubs newsletters. If you're interested or know someone suitable please let us know.

Please contact Robyn:

email: [president@wellingtonnaturists.co.nz](mailto:president@wellingtonnaturists.co.nz)

## WE NEED YOUR HELP

You don't need to worry about having your arm twisted to join committee. Please think about what you can offer to help with and have a chat about what you'd be happy to do.

- We need someone for our health and safety role
- If you've had some marketing experience it would be great to have some input into our plan
- Help with Facebook ideas and creativity.

While Shirley is away 24 Aug to 1 Oct we need a roster set up to share the responsibility for:

- Checking and treating the spa pool
- Feeding Elli Mae the cat, food provided
- Help in the kitchen with Melissa at the next two working bee lunches

You don't have to do all three.

Please contact Robyn if you can assist in any areas above. email: [president@wellingtonnaturists.co.nz](mailto:president@wellingtonnaturists.co.nz)

## Percy Cousins Trust (PCT)

The PCT will be holding their annual face to face meeting at our club on 20 August.

The PCT was set up in 1961 as a permanent memorial to what Percy Cousins had done for the nudist movement not only in New Zealand but also in building up goodwill with other national nudist associations overseas. From this basis the Trust has grown to be a respected organisation, legally established and run.

The PCT provides loans to clubs at a cheaper rate than most other organisations. There are four trustees: Noel Thomas (Pineglades), June Campbell-Tong (WNC), Donna Miller (AONC) and Ken Mercer (WNC).

Funds are raised by interest on loans, interest on invested funds, donations and festival collections - we will be holding an auction as part of the Variety Show.

## Festival Update

- Registrations are coming in steadily, slightly ahead of the previous festival, many WNC members are still to register.
- Marketing - currently investigating advertising in Australia, UK, Europe, America.
- We have some very exciting plans underway for day and night time entertainment.
- Secured the loan of two small marquees from the Cancer Society and MTF, Upper Hutt.
- A Risk Management Plan has been completed.
- Storeroom tidied up, some items from at least 30 years ago! We will purchase more large containers to store items, clearly marked and safe from rats.

All members of WNC are welcome to be on site and continue to make use of our normal facilities, pool, BBQ bar and BYO BBQ etc, during festival week but if you have not registered for the festival you will not be able to take part in any of the festival activities, sports, morning and afternoon teas and the evening functions etc. There will be options to pay for single day/evening festival function attendance provided in the September newsletter for people who do not wish, or are unable to attend the entire festival.

It is going to be a great week so register now if you plan to attend for the whole time.
