President's Piece

The rain stopped long enough to get some tasks completed at our 3rd working bee. After failing our council pool inspection it was good to see a 1.2m clearance re-established so we don't get told to empty the pool just when the new cover arrives and hopefully the sun to accompany it. A quote for a cover for the hot tub is under way and then we can warm it up.

Steve S is now the club 'social' go to person - see below for details on how to contact him and tell him your ideas for fun.

We are very pleased to announce that Steve and Toni will be our custodians this summer, starting mid-December. It's a relief to know we will have competent and welcoming members to meet and greet, and keep the place ship-shape. Perry will continue the Sunday cleaning role.

Please remember to do your bit too and consider coming to the next working bee on 25 September and enjoy the Italian night before. If you can't make that date we can let you know jobs you could do when you're free.

Ngā mihi

Robyn

Please take care when parking

Our grounds are quite sodden after so much rain, where possible park on hard stand areas, not blocking anyone in or out.

New Club Welfare Officer

The purpose of the welfare officer is to reach out to club members to offer informal and confidential support in any area of their lives including but not limited to:

- Health and wellbeing
- Mental health support
- Harassment
- Disputes.

The role IS:

- Informal
- Confidential

The role DOES NOT:

- Report back to the committee
- Record anything discussed
- Offer legal or medical advice.

Referrals can be made by any club member for yourself or someone else and is facilitated by an independent club member who is not on the committee.

Contact welfare@wellingtonnaturists.co.nz or text Ph 021 223 6595.

If you're one of those lucky high-users keen to make the most of the club and think you might be reaching the 100 day limit, we have some calendars available for you to self-record how often you stay. The 100 day club rule is mostly about ensuring people do not permanently live on site.

The committee will happily discuss approving extra nights for a fee and if you are required to do a key activity for the club can often waive that too. You can find calendars at the hall cubbyhole desk.

Congratulations!

Social Officer appointed

Steve S has kindly volunteered to take on the Social role for the club. Steve sees this role as the first port of call for the booking of all functions to be held inside the club grounds/hall etc. In addition to keep a smooth continuation of the already programmed Festival activities through the December/January period.

Steve is very passionate about social events within the club and with this new role hopes to create a vibrant and variable social calendar for members.

If you have ideas for functions and activities, please contact Steve on 027 257 5020 or email: steviess69@hotmail.com

Labour Weekend

SATURDAY 22 OCTOBER

Nude gardening day

Join us in the garden

- ♦ planting the first of our vibrant plants in preparation for the Festival
- ♦ planting up tins for the Festival

This year's National Gardening Week is all about finding out how healthy our soil is. Burying 100% cotton underwear for a couple of months is an easy and effective way of measuring soil health. The more threadbare the undies, the more micro-organisms in the soil meaning the healthier the soil.

June will unveil the undies she buried in August and see how healthy our soil is.

SUNDAY 23 OCTOBER

A focus on getting ready for the Festival

Painting props, veggie cart,
Building fun fair stands

Afternoon tea @ 3pm

**REWARD
POINTS**

"Redeem your points here"

Do you have Airpoints, Hot points, Fly-buy points accumulating and don't need another popcorn maker or beach towel set! There are lots of ways you can help the club without picking up a shovel at a working bee.

We'd like to purchase some good raffle prizes for the summer plus a few extra kitchen items. If you can support us in this way by putting your points to good use please let a member of the committee know.
