## President's Piece

It is good to see more nominees putting them self forward for committee than there are positions. This will be a busy AGM as there are five remits to discuss and vote on.

You can read my President report in the AGM pack (also on the new members only section of the web-site) along with the full details of the Agenda and Remits. It is a big read (sorry about that) but it reflects the importance of club matters we need to discuss. If you don't usually attend AGM maybe this time you should because if we vote to move to postal / online voting you can do so next time from the comfort of your living room and then be able to focus on the club matters.

We hope to pass the remit to have a 5 year capital expenditure plan. A draft plan is in the AGM agenda for you to better understand the activities we need your committee to concentrate on and fund in the next few years. If you feel strongly about some of the big ticket items then this is your chance to influence the timing and set the work priority for the incoming committee.

Please take the time to come Saturday 27 May at 2pm.

- A last reminder: proxy votes for those who meet the criteria are due no later than 20 May and won't be accepted on the day.

See you there; I am looking forward to it.

Signing out my final president piece.

Mā te wā - until next time

Robyn

## Working Bee

**Sunday 28 May 2023 - 9am start - Lunch provided**

We encourage you to come along to help maintain our wonderful grounds and enjoy the club spirit. A list of jobs will be posted on the board in the hall prior to the working bee. A few of the jobs are listed below:

- ◆ Clear wandering willie (tradescantia) along golf course boundary by gate (gumboots, gloves)
- ◆ Mulching (gloves, ear muffs) weather permitting
- ◆ Erect screen on boundary below pool
- ◆ Stain BBQ tables
- ◆ Monthly check for leaky taps.

Currently tree trimmings for mulching are being placed on the lower petanque court (please don't mix in any pest weeds like Wandering Willie). If you have a special project you would like to take on or continue to do, let Mike.

The grounds are quite sodden, so please bring your gumboots or similar, although there will be some jobs not requiring them.

Please remember to sign in on arrival, for catering purposes and health and safety. If you notice anything that needs attention please let Mike M know on 021 599 734 or [mike@wellingtonnaturists.co.nz](mailto:mike@wellingtonnaturists.co.nz)

VICE New Zealand is a youth media channel focusing on investigative journalism and enlightening videos. Journalist, Rachel, writer / producer for VICE, and her partner Sebastien visited our club in April and stayed overnight in one of the cabins. In this link they talk about their experience in visiting a naturist club for the first time. Read all about it in the link below, a great article.
