President's Piece

It is hard to believe that I am President again after stepping down from a previous eight year term, I did have a four year break though.

It was very encouraging to see so many people wanting to go on committee. All 10 general committee nominations would have been great but sadly five had to miss out. I am sure voting would have been close. If you were one of those who missed out do not get despondent there is always next year.

Well the AGM is over and I look forward to working with the new vibrant committee. The new committee held their first meeting last Sunday and the various portfolios have been allocated including sub committees for finalising the Club Manual, Electronic voting and new Constitution. There is plenty to do. Many people off the committee have volunteered to help with some of the projects but if you feel you can help in any way please let me know.

Jude and I have visited both the Waikato club and Rototua recently in my role as North Island Vice President. We both gained valuable knowledge on how other clubs run their committees and challenges they face.

Our club along with all others have to revisit our constitution to bring it in line with the Incorporated Society's guidelines. I am pleased to say we have a sub committee looking after this.

I am not a wordy person but want to say if you have any concerns or just want a chat then I am generally available. I am very approachable.

Parking

Please be mindful where you park on the grounds as some areas are very boggy. Also be kind to those who may need to park in different areas because of how wet the grounds are.

Spa and Hot Tub

Are you a regular user of the spa and hot tub?

Shirley and Steve would love to hear from you, if you can help with testing and treating either of these pools, once a week, on a regular day. This will ease the burden of special travel to the club to do this and also provide back-up if someone is away. Training will be given, it is not difficult.

Please ring Shirley **021 026 76493** (spa) or Steve (hot tub) 027 257 5020 if you can assist.

Please remember to shower before using these facilities.
